

# Data Mural Co-Creation Session Interest Form

Come share your experiences with disability as a UC Berkeley student and help us create a design for a data mural—a mural visualizing data—to share with the broader student community.

The mural will show your perspective on how you wish to be seen and represented in university data and surveys. It will be displayed at the the new Disability Cultural Community (DCC) Center.

What we need: 30 minutes of your time via a zoom group session
